WINTER 2016 BUILDING SOLUTIONS

Recently Completed Projects

University of Evansville Greenhouse

ARC performed demolition of the existing greenhouse and built a new state-of-the-art 2,400-square-foot greenhouse.

Gibson County 4H Exhibit Building

ARC recently completed work on the Gibson County 4H Exhibit Building, a 7,800-square-foot exhibit building on the fairgrounds.

First National Bank

ARC recently completed work on First National Bank in Mt. Carmel, Illinois: two additions including a boardroom, kitchenette, six offices, an employee entrance, and a conference room. All together, ARC added 1,700 square feet of new space for the bank.

Work In Progress

Alexandrian Library

ARC has been remodeling the old library including offices, entrances and modifications to existing shelving systems. ARC is also in the process of adding two small additions; a vestibule and three meeting rooms.

University of Evansville Bower-Suhrheinrich Library

ARC has been working at University of Evansville on an interior renovation of all four floors in the library as well as a new entry for the building. Other renovations include new LED lighting, seven new study rooms, flooring, ceiling, and restrooms.

Tecumseh Junior/Senior High

Castle North Middle School

Oakdale Elementary School

Warrick County School System

ARC has been working in Warrick County, to renovate three schools: Tecumseh Junior/Senior High School: 4,600-square-foot new addition of an administrative wing and renovations to existing classrooms; Castle North Middle School: classroom renovations and gymnasium upgrades including second level telescopic bleachers; and Oakdale Elementary: renovated classrooms, remodeled locker rooms, and a revitalized exterior canopy.
